June 2019

Dear Parents/Carers

Big Bang Fair Northwest – Exhibition Centre Liverpool - Tuesday 2nd July 2019

A trip has been arranged for year 9 and year 10 pupils to attend the Big Bang Fair North West.

The Big Bang Fair is full of hands-on activities interactive workshops, exciting theatre shows and opportunities to talk to scientists and engineers from local and national companies from all over the UK.

This fantastic opportunity will enable pupils to see the many different and exciting new career pathways which they may wish to consider in the future. The event is aimed to excite pupils about STEM subjects (Science, Technology, and Engineering & Maths) and inspire them to consider science or engineering careers. The UK needs many more scientists and engineers and equipping young people with skills in science, technology, engineering and maths is key to their future employability.

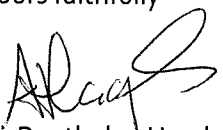

Pupils attending a Big Bang Fair really enjoy themselves too – with nine out of ten rating the event they attended as “good” or “very good”.

Details as follows:

- **Year 9** pupils will leave school at 9.30am and will return to school at 11.30am this time will include break time please make sure your son/daughter has a drink and snack
- **Year 10** pupils will leave school at 12.30 (an earlier lunch time is being arranged) and will be picked up at 2.30 and will return to school for 3.00pm approximately.

Please complete and sign the attached consent form and return to Form Tutor by Wednesday 26th June 2019.

Yours faithfully

Mr Routledge Head of Year 9
Mr Kivi Head of Year 10
