November 2019

Dear Parents and Carers

## **Sixth Form Open Evening - Thursday 14<sup>th</sup> November 2019 at 6.00pm Entrance via Sixth Form**

I am delighted to invite you to the above event which will be held in our Sixth Form Centre. The evening will begin with a presentation setting out what progression and employment opportunities are available for your child. This will be followed by parents and students having the opportunity to discuss their options with Heads of Subject, Careers staff and outside agencies. This is an excellent opportunity for parents and students to collect relevant information and find out more information about post 16 education and the progression routes open to all students. In addition, the Open Evening will be an excellent opportunity to view first-hand the excellent facilities available for Sixth Form students at Oldershaw.

We believe it is very important to ensure that all students are placed on the right course and our Open Evening is part of the process which will enable our young people to make informed choices.

We are very proud of our successful Sixth Form which Ofsted described as:

**“Students’ progress well due to good teaching and excellent curriculum opportunities, allowing pupils to access courses that suit their needs. Sixth Form make a valuable contribution to school life and the community.”**

We take great pride in building excellent relationships with students and parents to ensure each and every individual attains the success they are capable of achieving. Last year we were delighted when our Sixth Form students achieved record numbers of A and A\* grades on their courses. Your attendance at this event is essential and greatly appreciated.

May I thank you for your continued support of the Oldershaw Academy.

Yours faithfully

Mrs J Riley  
Head of Sixth Form
