## 1. Aims

Our school aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

Our core values are “Pride, Kindness, Resilience” and each underpins our attendance policy. Students should have Pride in their successes at school and regular attendance is integral to this; Kindness is shown in our desire to help every student achieve their best and the support we offer in order to ensure they attend regularly; Resilience is required from students to attend school even in difficult circumstances and from school staff to support every child to do so.

Regular attendance means **97% or better**. Any less than this is damaging to a child’s education and potentially harmful to their chances of achieving happiness and academic success, our mission for all young people in our care.

## 2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE’s statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE’s guidance on the [school census](#), which explains the persistent absence threshold.

This policy complies with our funding agreement and articles of association.

## 3. School procedures

### 3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.30am on each school day.

The register for the first session will be taken at 8.35am and will be kept open until 9.00am. The register for the second session will be taken at 2.50pm and will be kept open until 3.05pm.

### 3.2 Unplanned absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 8.30am or as soon as practically possible (see also section 6).

Parents should call the school absence line via the main switchboard or contact their child's Assistant Progress Leader directly, via email or phone.

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

### 3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Absence for medical appointments will only be authorised with a stamped appointment card or letter.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

### 3.4 Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code.

A pupil who arrives after the register has closed will be marked as absent, using the appropriate code.

Students who are late will receive a 15 minute detention with their form tutor that night. Persistent lateness will be dealt with through School Penalty Notices.

### 3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

Any absences not adequately explained within two weeks will be recorded as unauthorized. School reserves judgment on the reasons given for absence and may not accept these in all situations.

### 3.6 Reporting to parents

Each student's attendance is reported to parents via their termly report card. Students whose attendance is a concern will be contacted directly in order to engage their support in improving attendance.

## 4. Authorised and unauthorised absence

### 4.1 Granting approval for term-time absence

Headteachers may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

We define 'exceptional circumstances' as a situation that is unlikely to ever occur for the overwhelming majority of students and is completely unavoidable.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the headteacher's discretion.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision
- Immediate family bereavement
- Student participation in high level sporting events or such like

The academy will not authorise absence for non-essential issues such as:

- Birthdays
- Tiredness
- Attendance at non-participatory entertainment or sporting events
- Child care

The academy does not usually grant study leave except in very limited and specific circumstances as communicated by the principals by letter and on the website

## 4.2 Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

## 5. Strategies for promoting attendance

A variety of rewards and certificates are used to promote good attendance and student voice is crucial to ensure these have credibility and impact.

The attendance manager, PLs and APLs will maintain regular contact with home over poor or irregular attendance and small or individual mentoring sessions will be held weekly to address this.

Other opportunities to engage parents will be sought throughout the year outside of the academic calendar, such as coffee mornings or drop in sessions for families with poor attendance.

## 6. Attendance monitoring

The attendance manager and Assistant Progress Leaders monitor pupil absence on a daily basis.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2) and should do so every day they are absent.

If a pupil's absence goes above 3 days we will contact the parents to discuss the reasons for this.

If after contacting parents a pupil's absence continues to rise, we will invite parents into school for a panel meeting. We will monitor attendance for a further 4 weeks and if there is still no improvement or no parental co-operation we will consider requesting a penalty notice from the Local Authority.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.

Attendance data is collected and stored in accordance with statutory guidelines and is used for internal purposes to track the attendance of individual pupils, identify whether or not there are particular groups of children whose absences may be a cause for concern, and monitor and evaluate those children identified as being in need of intervention and support.

## 7. Roles and responsibilities

### 7.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

## **7.2 The headteacher**

The headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to governors.

The headteacher also supports other staff in monitoring the attendance of individual pupils and issues fixed-penalty notices, where necessary.

## **7.3 The attendance officer**

The attendance officer:

- Monitors attendance data at the school and individual pupil level
- Reports concerns about attendance to the headteacher
- Works with Local Authority Attendance Advisor to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the headteacher when to issue fixed-penalty notices

## **7.4 Class teachers & form tutors**

Class teachers & form tutors are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office via the SIMS system.

## **7.5 Office & reception staff**

Office & reception staff are expected to take calls from parents about absence and record it on the school system.

# **8. Monitoring arrangements**

This policy will be reviewed annually by the SLT. At every review, the policy will be shared with the governing board.
