Introduction from Steve Fisher - Executive Headteacher

Thank you for the interest you have shown in the position of Vice Principal at The Oldershaw School. This post has been made available due to the reorganisation of the Leadership Team as the school continues to strengthen best practice around teaching, learning and pastoral care.

I hope the information in this pack will be helpful and convey to you exactly what we are looking for; an inspirational, experienced leader to build on existing strengths, to develop and deliver a creative and ambitious educational vision for the school.

The Oldershaw School is an 11-19 co-educational comprehensive in Wallasey, situated in the borough of Wirral. Oldershaw School has a proud history of over 100 years of success, with a belief in the very highest standards and expectations, providing a rich and challenging education for each pupil.

The school was graded Good in all areas by Ofsted in March 2022 and has high expectations for all its staff and students. We offer a, 'broad and well-designed curriculum'; 'teachers have strong subject knowledge and students with additional needs receive precise support'. The KS5 curriculum ensures students learn what they need to be successful in their current and next stage and develop deep knowledge about their subjects beyond the remit of the formal examinations. The school's CPD programme is designed to provide progression opportunities for all.

We are a popular, over-subscribed school with almost 940 students and over 150 teaching and support staff. The Sixth Form recruits students that we retain from our own Year 11 cohort who value the continuity of education with a school and teaching staff they know well.

All achievements are celebrated, and high standards are achieved because of the commitment, dedication, and talent of our staff. We believe that education is a partnership between home and the school that aims to fulfil the ambitions and aspirations of our young people.

The appointed Vice Principal will be an exceptional strategic thinker with senior leadership experience, highly effective management skills as well as a team player with strong intellectual abilities. A charismatic, visible leader, they will inspire exemplary staff, and engage students, parents and other external stakeholders in an exciting vision to ensure Oldershaw School delivers the highest quality of education.

We hope that you will enjoy reading about The Oldershaw School and if you feel that you can deliver what we are looking we welcome your application.

Steve Fisher
Executive Headteacher

Ethos and Values

We have worked with our stakeholders to develop our Vision, Mission, and Core Values. Staff ensure that they are firmly established and at the heart of everything we do.

VISION: Excellence Together

This is our goal, working with one another, staff, and pupils, to achieve the best possible outcomes

MISSION: Nurturing happiness and academic success

This is what staff are here to do. To take care of the wellbeing of our pupils, educationally and pastorally

CORE VALUES: Pride, Kindness, Resilience

Our values underpin how staff and pupils operate and how we get things done. We are tough and tenacious educators and learners. We are proud of our successes and always act with kindness and respect towards one another.

Our ethos is evident around our school and in everything that we do. Come and visit us, and see how we live our vision, mission, and core values and how they permeate into every area of Oldershaw School.

Why this is an exciting opportunity for an aspiring Vice Principal

This is an exciting opportunity for an ambitious, outstanding, and reflective practitioner who has a passion for improving the life chances of young people and their families. We are looking for a talented leader with a track record of delivering success through inspiring young people to overcome their particular challenges and engage with education in positive ways.

We are seeking to appoint a highly effective leader to join us as Vice Principal at Oldershaw School from September 2023. The successful candidate will play a pivotal role in accelerating the development of the school to an outstanding provider of education. Developing and implementing school improvement strategies, maximising the potential and impact of core subject provision, and ensuring pupil premium interventions are targeted on improving academic performance.

This is a terrific opportunity for an aspiring leader looking for a role in which they can demonstrate real impact on the lives of young people and is ideal preparation for future Headship. Leading middle leaders, you will develop evidence-based improvement strategies, focused on quality first teaching that is led by the effective use of performance data.

In addition to the support of the Executive Headteacher and Chief Finance & Operations Officer, you will benefit from working with an experienced Head of School and a Trust board who are engaged and knowledgeable.

This role will be a key part of a new Senior Leadership Team structure and one which is designed to provide an effective management forum for developing best practice in all aspects of school performance.

We are proud of our pupils and proud of our school. We have a significant proportion of disadvantaged students whose talents, ambitions, and aspirations we are determined to realise. This role will maximise their potential, and ensure they fully participate in the wider curriculum offered to all.

You will benefit from leadership support, professional development, and the finance necessary to deliver on school improvement. If you thrive on challenge, are ambitious and want to make a meaningful difference to the life chances of our students, this truly is the job for you.

School Performance Data and Challenges

We converted to academy status in July 2011. The school fully embraces the area's diversity, is valued by parents and carers, the wider community, and Wirral Local Authority as an effective and inclusive school. In 2020, Oldershaw celebrated 100 years of service to our community, sharing a rich history and heritage with Wallasey and a strong sense of local identity.

The school serves a community that faces very high levels of socio-economic deprivation: the IDACI places the catchment area in the highest category of deprived pupils nationally. In October 2022, 53% of students were eligible for free school meals and 57% were eligible for pupil premium.

Wallasey is now served by four large secondary schools, two single-sex schools, a Roman Catholic school and one co-educational school - Oldershaw. The school's intake typically has more boys than girls, with girls currently representing 34% of the cohort. It is significant to note that the Local Authority retains a grammar school system, and prior attainment banding of the school's intake

illustrates the impact of this system. Attainment on entry for some is well below age-related expectations, with some pupils having complex and varied starting points.

The inclusive ethos and nature of the school, its reputation for excellent pastoral care and good quality of education underpins high levels of community confidence. This is reflected in increased recruitment with over 350 applications for 168 places annually and there are a significant number of families appealing to secure a place in the school.

The school is proud of its reputation for inclusion and excellent support for children with special educational needs; parental confidence in the school's SEND provision is reflected in its population. The proportion of pupils with SEND, including those with EHCPs & PFAs, is significantly higher than the national average (6.6% EHCP and 25% SEND support compared with national averages of 4% and 12.6% respectively). The school has an established and successful resourced provision for children with moderate learning difficulties, commissioned by the Local Authority. The MLD Base (20 students) provides an entirely bespoke primary-based curriculum, guided by EHCP outcomes, whilst offering rich opportunities for inclusion in a mainstream school environment.

Key performance indicators: -

Ofsted – In May 2022, Ofsted once again graded the school as **Good** in all categories.

The school's outcomes at KS4 & KS5 are in need of improvement and the school leadership is committed to addressing this as a priority.

Post 16 results enabled all those who wanted to go to university to access a place as did those seeking apprenticeships and further training.

The national grade 4+ GCSE grades is 72%, Wirral 71%, Wallasey schools 59% with a range 39% to 72%, and Oldershaw 58%. Across the Wirral the 4+ grades dipped by 4.1% compared to 2019; at Oldershaw there was an increase of 4.7%.

The grade 4+ for disadvantaged children across the Wirral dropped by 3.5% whilst Oldershaw increased by 6.9%; this is significant given that disadvantaged make up almost 60% of the cohort.

Whilst attendance is below the National Average, the school's strategies continue to narrow the gap and the attendance last year was less than 3% below National. The strategies employed to support attendance particularly with our disadvantaged learners were acknowledged as good practice in the recent Ofsted inspection.

The school remains committed to providing all pupils with an educational experience which meets their academic, pastoral, social and employability needs, and we have developed a curriculum offer to reflect these aims.

At the heart of our curriculum lies a respect for the subjects we teach and for the insight that each provides into the world around us. We teach, assess and feed back to students to ensure they can be active participants in their learning process. Our approach to teaching and learning supports our curriculum by ensuring that lessons build on prior learning and provide sufficient opportunity for guided and independent practice.

The broad and balanced curriculum is subject to continual review, underpinned by the following principles:

- To enable pupils to achieve the highest academic standards
- To develop links between academic and pastoral strands to realise the full potential of each individual
- To be available to all pupils and to promote equity and equality of opportunity to eradicate prejudice based on sex, race, disability, or any other protected characteristics
- To include elements of choice where possible, to allow pupils to negotiate their own courses, appropriate to their maturity, abilities, and interests
- To deliver a broad and balanced curriculum at an appropriate level, with coherent progression to the next step – A Levels, further training, apprenticeship, or direct employment

The school's support for pupils with SEND is enhanced by the provision of Nurture Groups and the Enhanced Curriculum groups in Years 10 – 13. The Nurture and Enhanced Curriculum groups allow pupils with significant additional needs to be educated in small, appropriately resourced groups. They follow a broad and balanced curriculum, which is fully differentiated and tailored to their academic, pastoral and progression needs. SEND provision is consolidated through a wide range of individual and group interventions, targeted to achieve maximum impact. Furthermore, the school utilises a range of support options, both internally and externally, for those children at risk of permanent exclusion.

In our Sixth Form, the curriculum is inclusive and determined by pupil choice as well as analysis of local and national labour market information. We offer a growing range of A Level courses and BTEC qualifications that provide bespoke progression pathways to university, apprenticeships, and employment. Pupils' aspirations are supported by structured EPQ lessons, whilst progression is driven by a multi-layered partnership of key stakeholders in the newly developed BEST+ programme. On-site vocational education is available in the form of sports coaching and childcare. Cultural capital in the sixth form is enhanced by workshops, guest speakers and residential visits.

Pupils' aspirations and cultural capital are enhanced through opportunities to travel locally, nationally, and internationally. The school was formally part of the ERASMUS scheme, providing opportunities to visit Denmark, Germany, Italy, and France. More recently, we are part of the Turing Scheme which saw sixth form students visit Italy. Subject-led visits have included trips to Berlin and Paris as well as visits to theatres, art galleries, Yorkshire Sculpture Park, independent cinemas, and museums.

The Future

We are on a journey of continuous improvement to establish firm foundations for future progress and improved outcomes and opportunities for all pupils.

We are committed to development of our CPD programme. Alongside quality assurance practices this will lead to further improvements in teaching, learning and pupil outcomes. Our bespoke programme of teacher improvement ensures CPD pathways appropriate to role, ambitions, and experience. It is underpinned by rigorous quality assurance, external support and challenge from SLEs and school improvement partners, which will continue to address identified areas for improvement.

Improving basic skills is a high priority. Recognising this, the curriculum has been adapted to include a bespoke Key Skills programme to address these needs in Years 7 & 8. The Accelerated Reader programme and English Mastery is a real success, ensuring every child reads every day in a challenging and supportive environment. Numeracy skills are supported through the implementation of the Mathematics Mastery Secondary Programme, which will be further consolidated by the introduction of additional Functional Skills qualifications.

Financial Stability and School Improvement Investment

Oldershaw School is financially very stable and currently boasts a healthy cash reserve, supported by long term budget planning that sees the school generate small operating surpluses annually. The school's leadership are currently embarking on a programme of significant investment to improve the learning environment and education infrastructure, strategies that will impact on raising student attainment.

Living on the Wirral

Situated between Liverpool and North Wales, overlooking the River Dee, Welsh hills and River Mersey, the beautiful Wirral Peninsula is fantastic for walking, outdoor activities, countryside hotels and cosy pubs. Travelling to Wirral is easy, with fast train and bus connections - or take the Mersey Ferry, which stops off at Woodside and Seacombe ferry terminals.

Wirral's 25 miles of dramatic coastline provides a fantastic backdrop to a great day out. Whether you are looking for high-adrenaline water sports or a walk along the coast to spot the rare wildlife, Wirral has it all. Try heading out to Hilbre Island from West Kirby to explore the islands and see seals. Or walk or cycle the Wirral Way, stopping at Thurstaston Country Park or Parkgate for a drink or ice-cream. Wirral Circular Trail is perfect if you want to enjoy the beautiful scenery and fresh air.

Wirral is home to some of the finest restaurants and food producers in the North West. Savour gourmet treats at the Michelin-starred Fraiche restaurant, visit a gastropub for a relaxed meal, or head to one of the farm shops or farmers' markets to meet Wirral food heroes and taste local produce.

Explore the historic Port Sunlight Village, built by Lord Lever for his factory workers. You can learn more about the village's history at the fascinating Port Sunlight Museum. Also, in Port Sunlight, the Lady Lever Art Gallery hosts a personal collection of fine and decorative art treasures.

Birkenhead Priory is the oldest standing building on Merseyside, encapsulating so much of the town's history within a small, enclosed site. For a more recent piece of history, visit the Wirral Tramway & Transport Museum - a celebration of Birkenhead's place in the history of public transport.

The rejuvenated New Brighton seaside resort has been restored to its former glory, with water sports on the Marine Lake, beach walks and attractions like the Light Cinema, Floral Pavilion Theatre and Championship Adventure Golf. Hoylake and West Kirby are also great coastal towns to visit in Wirral.
