The Oldershaw School

23rd June 2023

Dear Parents and Carers

A Level, BTEC and AS Level Results Day Thursday 17th August 2023

A Level, BTEC and AS Level results will be issued on Thursday August 17th 2023. I would like to see as many students as possible on the day collecting their grades to ensure they have plans in place for the next chapter of their lives.

The school is committed to ensuring that all students have the opportunity to collect their results and to receive expert guidance on their future pathways. To that end students **must arrive only at their allotted time and follow the procedure outlined below:**

- Students should enter the site via the Valkyrie Road Sixth Form entrance
- Students should enter the Lecture Theatre and collect their results from tables at the front
- Students will then move to the tables at the back for UCAS guidance/confirmation of destinations/careers guidance

Unfortunately, this year the school will only be able to allow parents/carers on site by appointment. If you would like to accompany your child please contact Mr L Routledge, Head of Sixth Form.

If you would like to collect your child's results on their behalf you may do so by appointment and you must provide a signed letter authorising you to do so, written by your child. You must also be able to provide a recognisable form of identification.

Allotted times for result collection:

Students collecting A Level and BTEC results (Year 13) – 9.00am -10.30am

Students collecting AS Level results (Year 12) – 11.00am -12.00pm

Please note any students who have taken GCSE resit or Functional Skills Maths and English should collect these results on Thursday 24th August at 12.00pm.

I look forward to seeing the students on Thursday 17th August.

Yours faithfully

Mr S Fisher
Executive Headteacher
